

Air Gauge and Air Chuck Warranty

Ascot will warranty all air gauges and air chucks for a period of **90 Days** against manufacturer's defects.

Ascot reserves the right to inspect and determine if the product is defective from normal wear and tear.

In the event of a warranty claim Ascot will replace the defective gauge with the equivalent part number. Credit will not be issued.

Replacement product will be shipped with customer's next stocking order.

If in fact there are any questions regarding a defective product, Ascot will always err on the side of the customer.
