

GAITHER

Gaither Tool Co. introduces a new and simple product that protects **your customers'** vehicles from unnecessary damage. *Gaither's Handle Protector promotes safety* in the shop and reduces the risk of claims and repairs.

#GHP-01 *Patent Pending

Don't let this happen in your shop!

Protect yourself from dings and scratches!

An inexpensive way to protect against expensive repairs

Features

- Made of a durable synthetic rubber
- Fits multiple jack manufacturers' handles and popular tire tools
- Unique design ensures a tight fit on jack/tool handle without slippage
- Protects vehicles from scratches or dents caused by falling jack handles and unstable tools in the shop
- Patented design absorbs the dent/scratch-causing force as the handle contacts an adjacent vehicle
- Multiple colors available with bulk purchases
